

POISONS CONTROL INFORMATION SHEET

No. 300.10

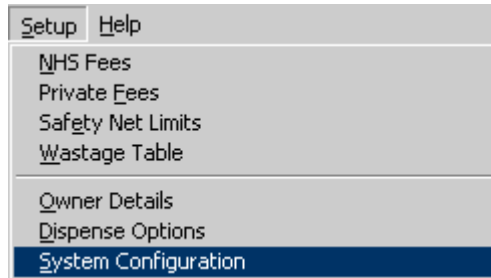

FRED AND WINIFRED GUIDE TO SAVING S8 REPORT ONTO C: DRIVE

information sheet

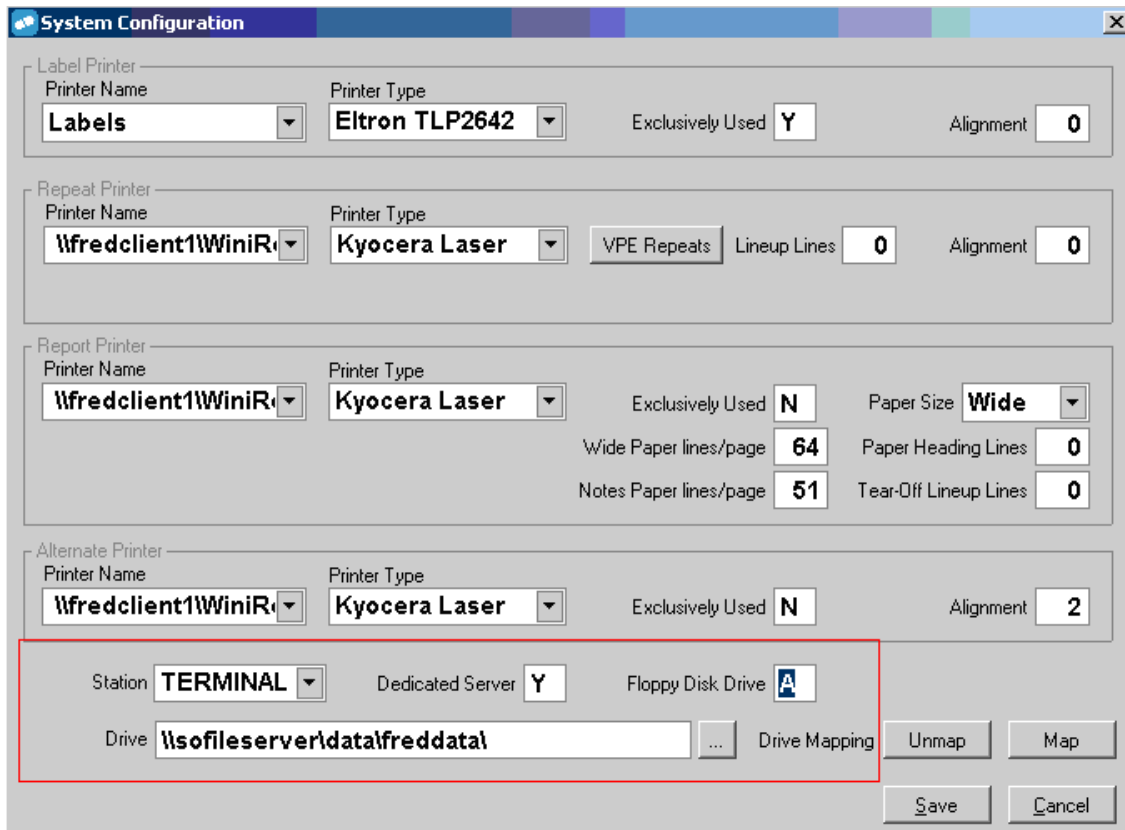

1. From the Main screen, select Setup

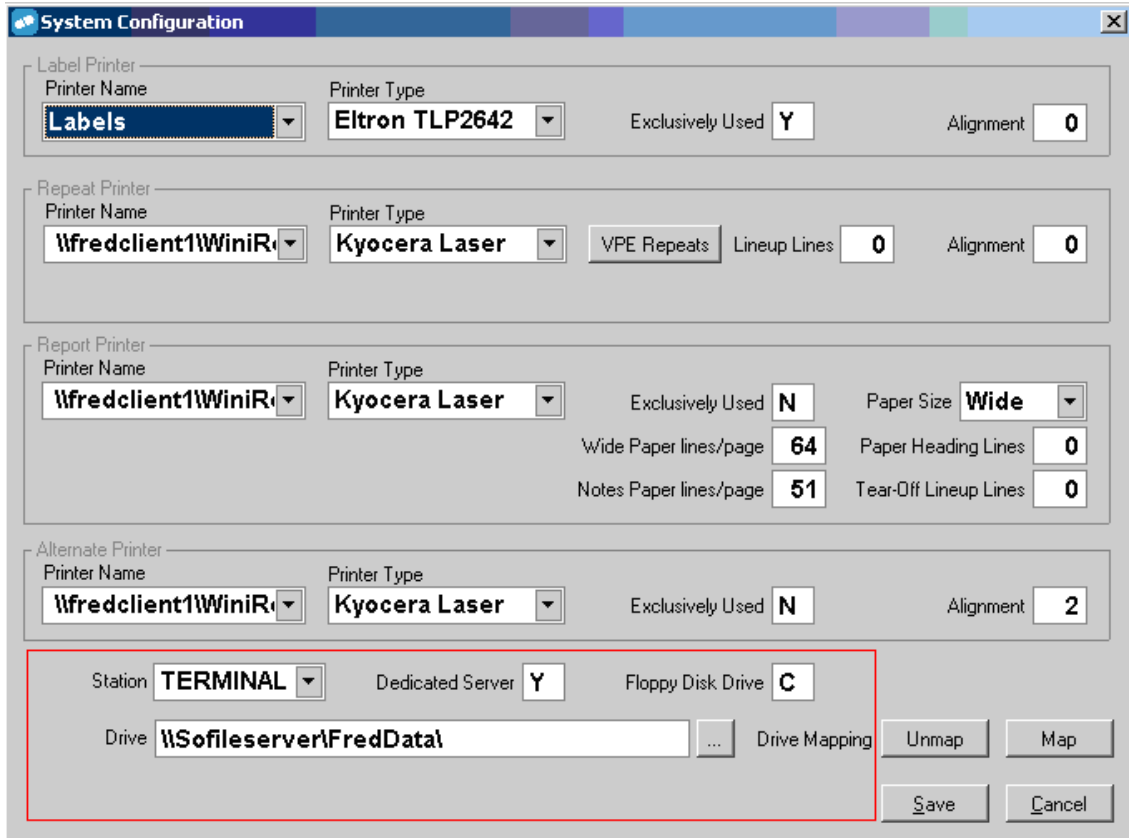

2. Select System Configuration

3. Select Floppy Disk Drive and change from A to C

4. Select Save

NOTE: When selecting S8 reports to be uploaded onto the Poisons Control S8 Website, you must now select the report from the C: drive instead of the A: drive
