

CHRONIC  
DISEASES  
NETWORK

The Chronic Diseases Network (CDN) supports the delivery of quality services and programs that reduce the rates of chronic disease and their complications and improve the health and wellbeing of Territorians.

The CDN promotes **communication**, **collaboration**, **coordination** and **collective memory** between its members and key stakeholders.

## MEMBERSHIP IS FREE

As a member you will have access to:

**The Chronicle** - a quarterly publication that delivers timely updates and summaries on NT and interstate projects, innovations and related activities

**Email List Updates** – regular information on chronic diseases initiatives and activities in the NT and interstate

**Annual CDN Conference**- held in August / September in the NT, this vital conference enables members to network and exchange information

**Chronic Diseases Network website** – a useful site with resources, links and news  
[www.chronicdiseasesnetwork.nt.gov.au](http://www.chronicdiseasesnetwork.nt.gov.au)

To join the CDN please complete the form below and return to the CDN:

Fax: (08) 8985 8016

Post: PO Box 40596, Casuarina, NT 0811
