

## Dentist

### Oral Health Services – Northern Territory

If you are adventurous, adaptable and interested in working with a culturally diverse client group, we offer the opportunity to be part of a unique oral health service, providing preventive and restorative dental treatment in urban and remote settings.

Travel to outback and remote parts of Australia and see the heart of this amazing country.

#### Dentist Manager of a Small Clinic

DM1-2 Salary Package \$110 981 - \$112 795 (salary component \$100 002- \$101 666).

Additional allowances - after one years employment \$11 327 per year and \$13 667 per year after five years employment.

#### Experienced Dentist: Two year Contract or Permanent Appointment Available

SalaryD2 - D7 Salary Package \$83 274 - \$109 566 (salary component \$74 583- \$98 704).

Additional allowances - after one years employment \$11 327 per year, plus \$13 667 per year after five years employment.

#### New Graduate: Two year Contract or Permanent Appointment Available

D1 Salary Package \$79 643 (Salary component \$71 251)

Additional allowances - after one years employment \$11 327 per year in addition to progression to D2-D7.

Our dentists provide high quality, comprehensive clinical services to eligible client groups including adults and children. The level of the position will depend on the number of years of experience of the applicants. Practitioners at the higher levels of D4-D7 will be expected to provide more complex treatment and provide clinical guidance to new graduates, visiting students and other staff. While dentists reside in the main urban centres, all clinical staff are expected to participate in remote service delivery.

Applicants need to have a degree in Dentistry and be eligible for registration with the Northern Territory Dental Board.

For further information contact Dr. Neil Blakeley, Oral Health Services +61 (08) 8922 6480.

#### Entitlements

All positions have access to salary sacrificing, employer contribution to superannuation, six weeks annual leave and three weeks sick leave (cumulative).

Assistance with relocation expenses may be available for those wishing to make a commitment.

#### Additional Dentist Entitlements

In addition to the base salaries and the entitlements stated above, retention and professional development allowances are available after one year, plus other generous allowances if applicable. Rights to private practice can be negotiated.

Territory Health Services has a smoke-free workplace policy and adheres to Equal Employment Opportunity principles.
